

Visit to Holme for Gardens, near Wareham, on Tuesday, 25th June 2024

Arranged by Alan and Audrey Kneller

We had a very enjoyable visit to these gardens in 2019 and by request we are returning on the very first day of our Summer break.

Join us to walk round these extensive gardens, featuring the Palm Garden, Pear Tunnel, Wedding Pavilion, a Wild Flower field and extensive colourful borders with various seating available for a casual break. Later I am sure that many of you will want to relax in the Orchard Café - various refreshments options will be available including lunch, cakes and cream tea. You may also be tempted by the range of produce in the Farm Shop.

The gardens are reasonably level for access.

We anticipate starting the return journey at about 4.30 p.m.

Written by John Oram.

The cost to include coach, driver gratuity and entry to the gardens is £17.00 per person.
